

Manual Test 3: Query by Date

Test Description: Search for tasks by date.

Steps:

- Navigate to the "Search Tasks" page.
- Enter the date: 2024/12/11.
- Execute the search.

Expected Output/Action: Manual Test Task is displayed in the search results.

The screenshot shows a web browser window with the title "Personal Time Manager" and the URL "localhost:50617". The page has a blue header with the text "Personal Time Manager". Below the header, there is a navigation bar with a blue link labeled "Search Tasks". The main content area is titled "Search & Filter Tasks" and contains a search form. The form has a text input field with the value "2024/12/11", a "Search" button, and two date range inputs labeled "Start Date" and "End Date" with a "Filter" button. Below the search form is a "Generate Report" button. The search results are displayed in a blue box with the text "Manual Test Task" and "2024/12/11 - 10:00 AM to 11:00 AM". To the right of the results is a "Test Tag" button with a red icon.

Test Successful:  Task retrieved by date.
